Rules and Regulations

1. If a student has a privilege, online, or dual enrollment class on his/her schedule and is not assigned to a classroom during that period, the student **must** leave campus at the start of the privilege, online, or dual enrollment class period.
2. If a student has a privilege, online, or dual enrollment class on his/her schedule and needs to return to campus for transportation purposes, the student may return to campus no earlier than 3:15PM.
3. The first time a student who has a privilege, online, or dual enrollment class on his/her schedule is found remaining on campus during the specified period in which they should be off campus, the student will receive a written warning in the form of a referral. If this occurs a second time, the student's schedule is subject to adjustment including the removal of any and all privilege or FLVS periods and the assignment of an additional class/classes.

I understand the rules and regulations and agree to leave campus immediately following my last class.

I give permission for my child to take a privilege or online class and am aware that he/she must leave campus immediately following their last class of the day and that failure to do so will result in a referral. In addition, I understand that repeated offenses can result in the loss of the privilege, online, or dual enrollment class and the assignment of an additional class at Boca High.
